

KEY COMPONENTS

US²Consulting offers a transformational one-day retreat designed to help organizations advance their commitment to social justice, equity, diversity, and inclusion (JEDI). This immersive experience includes an onsite SWOT analysis and culminates in a comprehensive report with actionable recommendations.

ONSITE SWOT ANALYSIS

- **Strengths:** Identify and leverage existing strengths in JEDI practices.
- **Weaknesses:** Uncover areas that need improvement to foster a more inclusive environment.
- **Opportunities:** Explore new initiatives and strategies to enhance equity and diversity.
- **Threats:** Recognize external and internal challenges that may hinder progress.

EXPERT FACILITATION

- Guided by experienced consultants with deep expertise in JEDI.
- Interactive sessions that encourage honest dialogue and collective brainstorming.

COLLABORATIVE ENVIRONMENT

- Engage with team members across various levels and departments.
- Foster a culture of transparency, trust, and mutual respect.

POST-RETREAT DELIVERABLES

Comprehensive Report

- Detailed analysis of the SWOT findings.
- Clear, actionable recommendations tailored to the organization's specific needs and goals.

Strategic Roadmap

- A step-by-step guide to implementing the recommendations.
- Timeline and milestones for tracking progress and measuring impact.

BENEFITS

- **Enhanced Awareness:** Gain a deeper understanding of the current state of JEDI within the organization.
- **Informed Decision-Making:** Make data-driven decisions to advance JEDI initiatives.
- **Organizational Alignment:** Ensure all members are aligned with the organization's commitment to social justice, equity, diversity, and inclusion.
- **Sustainable Impact:** Develop long-term strategies that promote lasting change.
